

# Arihant Jain

## Web Developer

Passionate and motivated, B.Tech 1st-year student specializing in Computer Science with Artificial Intelligence, eager to build a career in web development. Proficient in HTML, CSS, and JavaScript, with hands-on experience in building interactive web pages. A quick learner with a solid foundation in programming concepts and a keen interest in enhancing web development skills. Seeking internship opportunities to apply and further develop technical skills in a real-world environment.
